Kevin Maximiliano Palma Romero

Azure Cloud Architect | AI Automation & Governance | AZ-305, AZ-104 & AZ-700

CABA, Argentina | kev.mpr03@outlook.com | linkedin.com/in/kevin-m-palma-r | github.com/kevmpr

End-to-end experience designing hybrid architectures, database migrations, and Artificial Intelligence automation for mission-critical production environments. I combine solution design aligned with WAF and CAF with the development of custom tooling (AI agents, scripts, dashboards) that eliminates manual tasks. Experienced in leading migrations, governance and security audits (Zero Trust, RBAC), and cost optimization (FinOps) for corporate clients.

Experience

Azure Cloud Architect | Movistar
June 2026 - Present

- Designed SQL Server database migration strategies (Log Shipping, Azure DMS) and hybrid governance audits (Azure Arc, Update Manager, Azure Policy) across VMware/Azure fleets.
- Developed AI agents on Copilot Studio and Azure AI Foundry to automate auditing, reporting, and operational tasks, integrating hybrid data sources.
- Managed security and compliance (Secure Score, Defender for Cloud, RBAC, GDAP) and delivered Microsoft 365 Copilot training to clients.

Azure Cloud Engineer | Readymind
May 2025 – June 2026

- Designed Azure Landing Zones (Hub & Spoke, CAF) and led infrastructure migrations across subscriptions through Lift & Shift and IaC.
- Conducted migration assessments with Azure Migrate, comparing TCO across PAYG, Reserved Instances, and PaaS scenarios.
- Deployed Azure Arc for hybrid governance and built internal tools (Astro, Azure Functions, KQL) for identity automation and tenant auditing.

Education

Bachelor of Science in Computer Engineering | Universidad Argentina De la Empresa
March 2026 - Present (In Progress)

Associate Degree in Software Development | Instituto de Formación Técnica Superior N°11
August 2023 - November 2025 (Graduated)

Certifications

- AZ-305 (Azure Solutions Architect Expert) | AZ-104 (Azure Administrator Associate) | AZ-700 (Azure Network Engineer Associate) | AZ-900 (Azure Fundamentals) | DP-900 (Azure Data Fundamentals)

Skills

Hard Skills

- Azure, Azure Migrate, CAF, ARM Templates, KQL, PowerShell, Azure Resource Graph, Azure Policy, Entra ID, Azure Monitor, Log Analytics, Azure Key Vault, Hub & Spoke, Private Links, Application Gateway, Azure Arc, Copilot Studio, Azure AI Foundry, Azure DevOps, Git, Docker, AKS, AWS.

Languages

- Spanish (native), English (upper-intermediate B2).
